

Your contributions empower ISSA to influence public policy, strengthen our workforce, and elevate the cleaning and facility solutions industry at every level of government.

## What You Made Possible

### Building the Cleaning Workforce of Tomorrow

You helped secure federal approval of the industry's **first-ever registered apprenticeship program for cleaning technicians**, creating a scalable professional pipeline.

### Driving Major Legislative Wins

Your support powered advocacy that led to **U.S. Senate passage of the WIPES Act** that would establish a "Do Not Flush" labeling requirement to protect and prevent costly damage to wastewater systems nationwide.

### Advancing Safer Product Policy

You helped move forward **federal legislation to authorize EPA's Safer Choice Program**, reinforcing a trusted, science-based standard for safer cleaning products.

### Preventing Harmful State-Level Precedent

Working alongside industry partners, ISSA **helped stop passage of New Hampshire's HB 1544**, a sweeping proposal to ban scented cleaning products in public buildings. Defeating the bill protected science-based facility management practices and helped prevent a dangerous legislative precedent.

### Championing Menstrual Health

Through your support, ISSA partnered with Days for Girls to deliver **state-by-state menstrual health report cards**, equipping policymakers with the tools to drive meaningful change.

Together, you helped raise

**\$335,000+** since 2021

to protect and advance our industry.

## Your Impact in Action

### 26 States Recognized Cleaning Week

A record-breaking milestone—and ISSA honored industry standouts at the **inaugural International Cleaning Week Awards Dinner**.

### 2,700 Advocates

Active and engaged nationwide.

### 33 State Advocacy Leaders

Advancing local and federal policies.

### Another Record-Setting Advocacy Summit

**140+** industry leaders met with **150+** congressional offices.

## Thank You for Leading
